Tundra

Created by Marcos Morau

Marcos Morau's first UK creation *Tundra* is a Russian folk-inspired, intoxicating masterpiece of choreography. Eight dancers move as one to form a synchronized stage image that delivers both mesmerizing beauty and almost machine-like precision.

Revellers' Mass

Created by Caroline Finn

Enter a world of ritual and decadence inspired by historic paintings – National Dance Company Wales (NDCWales) Resident Choreographer, Caroline Finn, premiered her latest work *Revellers' Mass* in March 2019. Through charismatic and compelling movements, a menagerie of curious characters bring their surroundings to life.
