Stay/Away

Created by Hook Dance Theatre

Stay/Away opens new dimensions of self-awareness and existence that will surely resonate with audiences in Hong Kong – a city all too familiar with the sense of urban claustrophobia. Featuring iconic set design by renowned Berlin-based Japanese artist Yoko Seyama and original music by German composer Dirk P. Haubrich. The performance and installation created by Hook Dance Theatre (Artistic Director: Ho Ching Yu, Frankie) are available on selected dates.
