

TENTATIVE APPROACHES TO A POINT OF SUSPENSION

Yoann Bourgeois / CCN2 (France)

The monumental work of Yoann Bourgeois proceeds this incredible French choreographer. His iconic creations of living, towering, roly-poly statues and trampolines with giant staircases, are the marvel of millions across the world and the internet. His Asian debut will be moving beyond the stage with public performances in the lobbies of Taikoo Place and ArtisTree and feature captivating pieces: *Culbuto*, *Fugue/Balles*, *Dialogue*, *Fugue/Table*, *Hourvari* and *Fugue/Trampoline*.

About ArtisTree Selects

ArtisTree Selects aims to open the world of art to new audiences by presenting work commissioned and curated by ArtisTree and its partners in exciting and approachable new ways - featuring touring exhibitions, dance performances, intimate concerts, multi-disciplinary shows, and more.
